**General Items**

**Resolution in support of Foundry United Methodist Church use of Stead Park for their annual picnic on Sunday, October 2, 2011 (2B05)**

Commissioner Wexler read the following resolution in support:

*Whereas, Foundry Methodist Church is in the practice of using Stead Park for their annual picnics, and*

*Whereas, Foundry contributes to the upkeep and welfare of Stead Park*

*Be it resolved that ANC 2B support Foundry's request to use Stead for this expressed purpose on Sunday, October 2, 2011*

Commissioner Feldstein seconded. The motion carried 9-0.

**Request for support of Washington Humane Society's "Walk for the Animals" 10/1, /2011**

Emily Miller, Manager announced the 6<sup>th</sup> Annual DC Walk for animals to be held at Marie Reid Elementary School. She requested a letter of support.

Commissioner Stephens made a motion to support and Commissioner O'Connor seconded the motion. The motion carried 9-0.

**Endorsement of ANC 2B Redistricting Plan for submission to Council**

Commissioner Stephens provided a brief overview of the changes included in the proposal for redistricting,

Commissioner Stephens moved to endorse the plan and Commissioner Estrada seconded.

The motion carried 9-0.

**Regulatory**

**Request for a letter of support for G-Star RAW to install security gate on store interior (2B02)**

Commissioner O'Connor: G-Star RAW located 1666 Connecticut Avenue, is requesting a letter of support. Commissioner O'Connor moved to issue a letter of support/does not object to installation of a gate.  
Commissioner Jacobson seconded and the motion carried 9-0.

## **HPRB & Zoning Applications**

### **Request for support for HPRB concept design, zoning variances, and zoning special exception for development at 17th & O Streets, First Baptist Church (2B05)**

Commissioner Wexler's Resolution for ANC2B to support the design request for new structure:

*Whereas, the applicant has requested approval from the Historic Preservation Board (HPRB) for a concept design for the new structure on 17th and O Streets NW; and*

*Whereas, the applicant has submitted to the Board of Zoning Adjustment (BZA) an application for (1) Special Exception Relief from the Uniform Roof Structure Height (411.5) to permit the construction of a mechanical penthouse on said property, (2) a Variance for Height (530.1) from the SP-1 restriction of a maximum of 65 feet on which the apartment houses will be built, up to 90 feet and (3) a Variance of Size of Parking Spaces (2115-4) regarding the location of compact car spaces; and*

*Whereas, the applicant's HPRB hearing is scheduled for late September 2011, and the applicant's BZA hearing is scheduled for November 2011; and*

*Whereas, ANC 2B believes that a residential building at this location will be an improvement for the neighborhood over the existing parking lot; and*

*Whereas, ANC 2B appreciates the applicant's time and effort to provide information and explanation to the ANC (and the community) at multiple public meetings; and*

*Whereas, ANC 2B similarly appreciates the input and comments provided by the community, including nearby residents, business owners, property owners, and others; and*

*Whereas, the Dupont Circle Conservancy (DCC) has reviewed the concept design and provided support for the design as drawn; and*

*Whereas, the Historic Preservation Office (HPO) staff report also supports the project's concept design;*

*Therefore be it resolved that ANC 2B supports the concept design application to the HPRB; and*

*Whereas, the ANC recognizes that the applicant has included in the building design the minimum number of parking space required by current zoning rules; and*

*Therefore be it resolved that ANC 2B finds the parking variance request is de minimus, and therefore supports the request; and*

*Whereas, both the Special Exception and the Height Variance take the proposed construction well above the levels ordinarily limited by the SP-1 regulations, to wit, above 100 feet for portions of the penthouse structure, and up to 90 feet for the remainder of the apartment building; and*

*Whereas, this considerable Height Variance will provide the applicant with valuable added size, density, and profit; and*

*Whereas, the ANC acknowledges the many objections of the nearby neighbors about the project and the zoning relief requested; and*

*Whereas, ANC 2B is concerned about the lack of exterior green space demonstrated in the applicant's designs; and*

*Whereas, ANC 2B recognizes that there are many other potential designs that the applicant could build as a matter of right, without requesting this zoning relief; and*

*Whereas, the 90-foot height is in scale with neighboring structures on 17th Street; and*

*Whereas, ANC 2B appreciates that the applicant has committed orally to modify the rooftop design so as to move residents' common space for recreation and other purposes to the south side only, away from the side facing O Street NW; and*

*Whereas the applicant has provided the ANC with (1) the modified penthouse and rooftop designs, (2) a description of the modified unit-sized breakdown planned for the building; and (3) a plan for incorporating exterior green space. Therefore be it resolved that the ANC supports the Special Exception and Height Variance*

Applicant stated that they are prepared to comply with the request for changes included in the resolution now. Commissioner Jacobson expressed concerns with the clause that was included in the original resolution which decreased the number of efficiencies in the building; felt that it may appear to be discriminatory based on income, status, and/or demographic.

The applicant assured the ANC that such was not the case and that this was done to provide larger units as opposed to smaller ones so that families may continue to reside within the city.

Commissioner O'Connor made a motion to strike the "Whereas" clause regarding the number of efficiencies and to support the rest of the resolution. Commissioner Jacobson seconded. The motion carried 9-0.

### **ABC Applications**

**Application by Irish Whiskey, 1207 19th St NW, for new Class CT license for tavern serving American cuisine with the following: occupancy load 180; sidewalk cafe w/36 seats; hours of operation (interior & sidewalk cafe) Sun-Thu 8am-2am, Fri-Sat 8am-3am; hours of alcohol sales/service/consumption (interior & sidewalk cafe) Sun-Thu 10am-2am, Fri-Sat 8am-3am; entertainment endorsement (DJ) with hours Sun-Thu 6pm-2am, Fri-Sat 6pm-3am (2B06)**

Commissioner O'Connor made a motion to protest subject to a VA or negotiation and amended application regarding hours. Commissioner Estrada seconded. The motion passed 8-0, Commissioner Silverstein stepped out of the room.

**Application by Cafe AKA White House, 1710 H St NW, for CT (tavern) license for new tavern serving breakfast, salads, & appetizers/snack foods until midnight. No entertainment other than recorded background music. Seating capacity 58, total occupancy 58. Hours of operation daily 7am-12am; hours of sales/service daily 12pm-12am. (2B06)**

Applicants are applying for a license to operate in the interior of the building for residents of the property. Establishment will not have an entrance from the exterior. Seating capacity will be approximately 58.

Commissioner Feldstein made the recommendation to take no action.

### **Public Space Applications**

**Application by Ohfish, 1899 L Street NW (entrance on 19th Street) for sidewalk cafe with 18 seats. Jessica Tu will present. (2B06)**

Commissioner Silverstein made a motion to support, Commissioner Stephens seconded. Motion carried 9-0.

**Application by Upper Crust, 1747 Penn. Ave. NW for sidewalk cafe w/12 tables, 24 seats, 6 umbrellas. (2B06)**

Commissioner Silverstein made a motion to support, Commissioner Stephens seconded. Motion carried 9-0.

**Application by Bistro Bistro, 1727 Conn. Ave. NW for valet parking. (2B01)**

Commissioner Feldstein recommended not to approve and to reject. The application is not complete, and the establishment has been operating illegal valet parking.

Commissioner Jacobson seconded. The motion passed 8-0. Commissioner Estrada stepped out of the room.

**Application by Sette Osteria, 1666 Conn. Ave. NW for convert to Enclosed Café. (2B02)**

Commissioner O'Connor made a motion to support subject to complete 10ft clearance to not enclose with glass.

Commissioner Stephens seconded. Motion carried 9-0.

### **Committee Reports**

**ABRA Policy Committee:** Nothing to Report/ No Updates

**Zoning, Preservation & Development Committee:**

**New business: Triangle Park at Dupont North Metro exit**

Commissioner O'Connor read resolution and expressed concerns regarding pedestrian access to the sidewalk by the 42 Bus stop. Increase in Pedestrian foot traffic due to closure of Dupont South Metro exit for a year.

*Whereas Advisory Neighborhood Commission 2B (ANC2B) recognizes that the Triangle Park between Q Street NW, 20th Street NW, and Conn. Ave. NW (the park) has gone without needed renovations for years;*

*Whereas ANC2B values public park space as of a resource to all of Dupont Circle;*

*Whereas the welfare and public safety of the residents and visitors of Dupont Circle is of the utmost concern of ANC2B;*

*Whereas ANC2B has concerns about pedestrian safety along the 26 inch width sidewalk on the Connecticut Avenue NW side of the park and a fence may further restrict the public's access to Metrobus services in addition to regular access to the sidewalk;*

*Whereas neither the District Department of Transportation (DDOT), the Washington Metropolitan Area Transit Authority (WMATA), nor any other transportation safety expert has weighed in on the pedestrian safety concerns along the Connecticut Avenue NW side of the park;*

*Whereas, WMATA has just announced that the Dupont South Metro stop will be shut down for up to a year for replacement of escalator systems, putting additional pedestrian pressures on the area around the Dupont North Metro stop and the Triangle Park;and*

*Whereas ANC2B recognizes the significant time and effort by local residents, community groups including Historic Dupont Main Streets, the Dupont Circle Citizens Association and, in particular Ingrid Suisman, as well as the National Park Service have put into the development of a plan to renovate the park;*

*Be it therefore resolved that ANC2B accepts the proposed park renovations subject to either:*

- 1) the removal of the proposed fence on the Southside of the park; or*
- 2) confirmation from a transportation planning expert that the proposed renovations will not pose a significant impediment to pedestrian safety;*

*Be it further resolved that ANC2B work with WMATA at the possibility of moving the 42 bus stop along Connecticut Avenue NW and Q Street NW should the National Park Service adopt the proposed renovations;*

*Be it further resolved that ANC2B recommend that the National Park Service abandon the outdated 1929 guidelines for the park so that in the future, the community will have greater weight in the development of the park.*

**Community Involvement Committee:** No Updates

**Dupont West Moratorium Ad Hoc Committee:** No new applications

**Commissioner Reports**

*Neighboring Jurisdiction Reports (if any):* West End/Foggy Bottom (2B06), Adams Morgan (2B01, 2B08), Kalorama (2B01, 2B02), Logan Circle (2B04, 2B05, 2B09), Georgetown (2B06), Columbia Heights/Shaw (2B09)
