RE: Unassigned Handicap Parking Pilot

Dear Ms. Peckett:

At its regular meeting on August 11, 2021, the Dupont Circle Advisory Neighborhood Commission (“ANC 2B” or “Commission”) considered the above-referenced matter. With 9 of 9 Commissioners in attendance, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (9-0-0):

WHEREAS, current District Department of Transportation (DDOT) rules do not allow for the installation of unmetered, unassigned parking spaces in residential neighborhoods,

WHEREAS, DDOT’s current residential handicap parking rules only apply in narrow circumstances and offer few benefits to the majority of local handicap permit holders,

WHEREAS, DDOT is considering conducting a pilot project to install unassigned handicap parking in residential neighborhoods over a reasonable time frame to determine or measure benefits and impacts after consultation with neighbors, including those with disabilities, and

WHEREAS, ANC 2B would like to participate in a pilot that would install unassigned handicap parking in our community.

THEREFORE, BE IT RESOLVED that ANC 2B asks DDOT to include ANC 2B in its pilot on unassigned handicap parking.

BE IT FURTHER RESOLVED that ANC 2B requests that DDOT considers several locations for its parking pilot in ANC 2B, including but not limited to Caroline Street NW.

BE IT FURTHER RESOLVED that ANC 2B requests that any unassigned residential handicap parking space be designated as resident only parking for residential parking permit zone two permit holders.

Commissioners Kyle Mulhall ([2B09@anc.dc.gov](mailto:2B09@anc.dc.gov)) and Matthew Holden ([2B08@anc.dc.gov](mailto:2B08@anc.dc.gov)) are the Commission's representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,
