Re: Consideration of benches and pavers in public space at 1200 17th Street NW (2B05)

Dear Katrina Harrison,

At its regular meeting on February 13, 2013, the Dupont Circle Advisory Neighborhood Commission (“ANC 2B” or “Commission”) considered the above-referenced matter. With all of the Commissioners present, a quorum at a duly-noticed public meeting, the Commission approved the following motion by a vote of (8-0).

ANC 2B supports the application for benches and pavers as presented, because of the applicant’s efforts to incorporate substantial green space around the site.

Commissioners Mike Feldstein (mike.feldstein@dupontcircleanc.net) and Will Stephens (will.stephens@dupontcircleanc.net) are the Commission’s representative in this matter. This plan is in the spirit of our prior resolutions regarding this site, before both the Board of Zoning Adjustment (BZA) and DDOT Public Space, where we asked for preservation of the park space at Rhode Island Ave and 17th Street.

ON BEHALF OF THE COMMISSION.

Sincerely,

Will Stephens, Chair
