RE: Proposed Capital Bikeshare Station Installation Locations for 2017

Dear Ms. Frackelton:

At its regular meeting on April 12, 2017, the Dupont Circle Advisory Neighborhood Commission (“ANC 2B” or “Commission”) considered the above-referenced matter. With 9 of 9 Commissioners in attendance, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (9-0-0):

WHEREAS, ANC 2B represents a very diverse neighborhood of both residents and businesses which rely upon many modes of transportation including rail, bus, cars, bicycles, and walking,

WHEREAS, over the last six years since Capital Bikeshare started operations in September of 2010, the system has grown to over 440 stations and 3,700 bicycles,

WHEREAS, while the system has expanded well beyond the central core of the District to outlying areas, demand for Capital Bikeshare has grown substantially in the Dupont Circle neighborhood, and

WHEREAS, the District Department of Transportation, working with the ANC’s Transportation and Public Infrastructure Committee, has identified the following locations for two new stations:

1. North side of R Street NW, west of Connecticut Avenue NW on the street by the curb
2. West side of 15th Street NW, south of M Street NW on the sidewalk

THEREFORE, BE IT RESOLVED that ANC 2B requests that the District Department of Transportation install two new Capital Bikeshare locations at the aforementioned locations and put said locations into service as soon as possible and advise the ANC when complete.

Commissioners Scott Davies (scott.davies@dupontcircleanc.net), Randy Downs (randy.downs@dupontcircleanc.net), and Nicole Mann (nicole.mann@dupontcircleanc.net) are the Commission's representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,
