Dear Armando, Doris, Mary Eva, Ron, and Charles:

In June 2009, the Dupont Circle Advisory Neighborhood Commission (ANC 2B) passed a resolution requesting me to coordinate with the other ANCs in Ward 2 to hold regular meetings of the Ward 2 ANC Chairs (or their designees). The purpose of these meetings would be to discuss and share information about issues or projects of mutual concern—including public policy initiatives, infrastructure projects, crime, or development issues that affect multiple ANC jurisdictions, the entire Ward, or the entire District. Underlying the resolution was the recognition that these issues often transcend our somewhat arbitrarily-drawn ANC political boundaries.

I wanted to reach out to each of you to gauge your interest in meeting with me and the other Ward 2 Chairs. Our ANC discussed the possibility of having these meetings on perhaps a quarterly basis.

To facilitate communication amongst ourselves and to potentially plan for such group meetings, I recommend that we create a Google-group e-mail list of the Ward 2 ANC Chairs. We would be pleased to take the lead in setting that up.

ON BEHALF OF THE COMMISSION.

Sincerely,

Mike Silverstein
Chairman
