RE: Golden Triangle Business Improvement District Public Arts Grant Application

Dupont Circle ANC 2B took up this matter at its regularly scheduled meeting on September 9th, and with a quorum of all nine commissioners in attendance, unanimously (9-0) approved the following resolution:

"ANC 2B enthusiastically supports the Golden Triangle Business Improvement District's grant application to the DC Commission on the Arts and Humanities' *Public Art Building Communities* program to fund the creation and installation of public art in the Farragut West Metro entrance at 17th and I Street, NW."

This is an opportunity to enhance the feel and appearance of one of the Metrorail system's busiest station by engaging a local artist. This project would be an excellent use of public and private funding to reflect the vibrancy of the community in the City's central business district.

I am the Commission's representative on this matter and can be reached by e-mail at mike.silverstein@dupontcircleanc.net or by phone at (202) 833-4440.

ON BEHALF OF THE COMMISSION.

Sincerely,

Mike Silverstein
Chairman
