 ANC has no objection to this application.

X ANC has the following objections to this application:

At our September 14, 2011 public meeting, ANC 2B voted 8-0-1 to OBJECT to this application for valet parking. One Commissioner abstained because he was out of the room for most of the discussion. This venue has been illegally operating valet parking since shortly after opening. In addition, the venue has been a consistent source of problems related to public safety and the peace, order, and quiet of the neighborhood.
