Re: Request by JR's, 1519 17th St NW, for beer tent for Capital Pride Parade.

Dear Director Klein and Director Moosally:

At its May 12, 2010 meeting, ANC 2B passed a resolution 8-0 supporting the request by JR's (1519 17th St. N.W.) to serve alcohol in an outdoor tent the day of the Capital Pride Parade (Saturday, June 12, 2010). Commissioner Silverstein did not participate in this matter due to his position on the ABC Board. It was also resolved that ANC 2B will work with JR's to ensure that the hours of operation and the level of noise be reasonable in light of the fact that JR's is in close proximity to many residential homes. At this time, JR's has assured us that efforts will be made to abate noise and has offered to turn off all speakers by 9:30pm. The tent itself will be taken down at 10pm. The ANC finds these arrangements reasonable and we ask that you issue the appropriate permissions.

ON BEHALF OF THE COMMISSION.

Sincerely,

William F. Stephens, Chairman
