Application to approve new surface treatment of the
façade of 1600 K St., N.W.

Dear Chairman Boasberg:

At its regular meeting on June 10, 2010, the Dupont Circle Advisory Neighborhood Commission ("ANC 2B" or "Commission") considered the above-referenced application to revise the surface treatment of the façade consisting of the installation of new signage, lighting, canopies and revolving door. The drawings presented are the same as those submitted for HPRB review scheduled for June 24, 2010. With nine of the Commissioners present, a quorum at a duly-noticed public meeting, the Commission approved the following motion by a vote of 9-0:

ANC 2B supports the installation of new signage, lighting, canopies and revolving door at 1600 K St., N.W.

The ANC's representative in this matter is Commissioner Victor Wexler, who may be reached at victor.wexler@dupontcircleanc.net or by telephone at 202-745-0054 for further information.

ON BEHALF OF THE COMMISSION.

Sincerely,

Will Stephens, Chair
