Re: Request by Clemenzah LLC t/a Food Corner Kabob, 2029 P Street NW for substantial change

At its regular meeting on June 9, 2010, the Dupont Circle Advisory Neighborhood Commission ("ANC 2B" or "Commission") considered the above-referenced matter. With eight of nine Commissioners present (one Commissioner was not participating), a quorum at a duly-noticed public meeting, the Commission approved the following motion by a vote of (8-0):

Whereas

Clemenzah LLC t/a Food Corner Kabob, 2029 P Street NW has requested consideration of request for substantial change for proposed hours of operations & sales/service/consumption Sun-Thurs 11am-2am and Fri-Sat 11am-3am (2B02)

Whereas

The Clemenzah License was provided under the stipulation not to have alcohol service hours beyond 12 am as part of the exception to the Moratorium and that any discussion of extension of hours is premature given the moratorium still stands

Whereas

Clemenzah LLC t/a Food Corner Kabob is a new establishment that has yet to show its business principals and community members have not yet had an opportunity to comment on the addition of another late night alcoholic service establishment in the neighborhood or negotiate a voluntary agreement

Be it resolved that

The ANC opposes the request for a substantial change by Clemenzah LLC t/a Food Corner Kabob on the basis of peace, order and quiet.

Commissioner Mike Silverstein did not participate due to his position on the ABC Board. Commissioner Bhavna Patel (2B02) is the Commission's representative in this matter. You can reach her at bhavna.patel@dupontcircleanc.net for further information.

Sincerely,

Will Stephens, Chair
