Re: Application for CR license for Mayur 1, Inc t/a Tandoori Time with hours of operation (incl. sidewalk cafe) of Sun-Thurs 11am-10pm, Fri-Sat: 11am-3am

At its regular meeting on June 9, 2010, the Dupont Circle Advisory Neighborhood Commission (“ANC 2B” or “Commission”) considered the above-referenced matter. With eight of nine Commissioners present (one Commissioner was not participating), a quorum at a duly-noticed public meeting, the Commission approved the following motion by a vote of (8-0):

To protest the application on the basis of peace, order, and quiet, subject to the successful negotiation of a voluntary agreement.

Commissioner Mike Silverstein did not participate due to his position on the ABC Board. Our special designee for 2B06 ABC-related issues is Kevin O’Connor. He and I will serve as the Commission’s representatives in this matter. You can reach us at kev.oconnor@gmail.com and will.stephens@dupontcircleanc.net for further information.

Sincerely,

Will Stephens, Chair
