Director Falwell:

I am writing in support of Kenya Hutton's request to use the Francis-Stevens Educational Campus for Voices of One's 1st Annual DC Field Day Summer close-out event. The Francis-Stevens Educational Campus is located at 2425 N St., N.W., Washington, DC 20037. The First Annual DC Adult Field Day Summer close out will be take place on Sunday, September 30, 2012.

Voices of One was created out from the need for referral services specific to the needs of the community in the areas of: HIV and other sexually-transmitted infections; homelessness; educational needs; and unemployment. Due to the close proximity of neighboring states, Voices of One is providing referral services to residents from DC, Maryland, and Virginia. Using their national database of service providers, Voices of One is able to provide referrals to residents of the District and elsewhere.

Since it is a new organization, Voices of One is using the 1st Annual DC Field Day Summer close out event as a way to introduce itself to the community. This event will bring members of the community out to enjoy games in a safe, fun-filled environment. While enjoying the games, they will: learn about issues affecting our community; receive health screenings; and interact with local DC agencies that provide services.

As ANC for the SMD 2B06, I am happy to welcome this event to my neighborhood and to the city. If you have any questions, please feel free to reach me at 2B06@anc.dc.gov or (202) 833-4440. Thank you.

Sincerely,

Mike Silverstein
